Sample Application:

Do not use an erasable pen to fill in your application.
If you need to erase a mistake, do not use correction fluid or tape, but rather cross it out with two lines.

If your address has changed since the time you applied, please write your former address in the former address section below, and write your address in the current address section. **If the child has any older siblings enrolled, please have the same guardian apply for them as well.**

I wish to apply for a kindergarten/child-care subsidy eligibility certificate (a certificate related to the kindergarten/child-care facility subsidy and infant - 2-year-old child-care subsidy) as well as apply to use a corresponding facility or provider (hereby referred to as "facilities, etc.").

Additionally, I consent to Gifu City viewing municipal tax information (including information from other members of my household), general household information, information about receiving public assistance, and any information about child-care support payments that is relevant to this application. I also consent to my usage and meal fees that were calculated based on the above information being submitted to facilities, etc.

If more time is needed to determine information relevant to this application due to the guardian's working conditions or illness and the city receives a high volume of applications, I agree to Gifu City sending me my kindergarten/child-care subsidy eligibility certificate 30 days after the city receives my application.
